ABOUT ME

I am a second year aero C student with a passion for robotics, space, and outreach. With extensive external experience, I love to find and share new opportunities with people.

MY EXPERIENCE

- VP External for CMAS (2024-2025)
- VP External for CPRT (2024-2025)
- Delegate Selection Committee (2024-2025)
- EngFrosh Head (2025) and Facil (2024)

MY CAMPAIGN INVOLVEMENT

- Integrate design teams into C-Eng by promoting resources and conferences to them to develop their skills as student leaders
- Continue to organize and run community events
- Meet with past conference delegates to create supplemental material to delegate packages

AWARENESS

- Summarize ESSCO and CFES updates and events monthly in the Iron Times and on the website to allow students to stay informed
- Work with stream reps and stream societies year reps to inform engineering students at large about decisions and updates that will affect them
