Why me?

AWARENESS

- Continue to make conference materials approachable and accessible for all students
- Work to better inform students of developments within ESSCO and CFES

ENGAGEMENT

- Host "Conference 101" seminars to introduce students to ESSCO, CFES, and their conferences
- Continue charity initiatives such as Breast Cancer Awareness and Movember

ADVOCACY

- Continue to advocate for Carleton engineering students on provincial and federal levels
- Collaborate with ESSCO and CFES VP Advocacies to improve services for students
